EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Raymond Garguilo, Jr. on August 31, 2006.

The application has been amended as follows:

In the Claim:

"a) folding a substrate for accepting a microelectronic element having a length in a first portion, said substrate having at least one folding portion, said folding including" (claim 1, lines 3-6) has been changed to:

--a) providing a substrate having a length in a first portion to mount a microelectronic element therein said substrate having at least one folding portion;

b) folding the substrate by--.

"engages said" (claim 1, line 11) has been changed to: --engages the first portion and folding portion of said--.

"thereby" (claim 1, line 14) has been deleted.

Art Unit: 3729

2. The following is an examiner's statement of reasons for allowance: the prior art references fail to teach or suggest the method of making a microelectronic package as claimed by the present invention, specially the limitation of folding the substrate by a die having a engaging surface (as known as single/unitary engaging surface) that engages the first and folding portions of the substrate in such away to make or cause the substrate to extend over the entire length of the microelectronic element in combination with other limitations are allowed over the prior art references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Donghai D. Nguyen whose telephone number is (571)-272-4566. The examiner can normally be reached on Monday-Friday (9:00-6:00).
